#### Insurance Reimbursement Information

Moench Method Bodywork therapists are massage therapists and, as such, do not diagnose medical conditions.

Our National Provider Identifier, NPI#, is: 1861703142

The CPT code for our therapy is: 97140 - Myofascial Release/Manual Therapy Techniques

If necessary, the modifier code is: GP

The above information, including the diagnosis code and your doctor's signature, is meant to assist you in the pursuit of reimbursement from your insurance company for services rendered.
